

In a distant jungle, a joyful jay bird found a jewel.
it was shiny; it was bright. "Look!" jolly Billy said:
"Is it a jiggle piece of jade?" just imagine the journey!
Billy looked at his mirror: is this a joke? He stared to jump;
he began to jig with justice. The juice from the fruit
dripped: was it liquid gold? january was cold!
However; the jungle felt warm. "I love this joy!"
he wrote in his journal. just keep it; it is mine.
Is it true? May be. just wait: score = 100! Why?
just because!

It is time for an icy visit. Simon likes his bike with silver rims. His fingertips felt tingly in the winter night. "Is it finished?" he asked himself. The light is dim; the river is still. Little birds sit in the pine tree. It is quite an interesting sight to find! His mind is filled with with vision of ice cream. Since when did it become this chilly? Bring the linen; pick the fig. Is joy = real? He said: "Wait for me" just wait: is it safe? Yes Yes! Valveu = 9; score = 10; jump!

jack has a jumbo jar of jelly. just look at the juicy jam!
jill was jealous of his jolly job. jumping over the junk; jack
found a jet. "Do you like jazz?" jacked ask: "It is
justice!" just join the journey to japan. The jungle was
full of jaguars and jerky. just be objetcive: is the jude
real? july is the month for joking! just; stay just
judgment is near. just jump! just dance! Is this a joke?
Yes; just maybe: total = 5. "Stop it!" it is just a
game; right?

What is inside? Is it gold? Or is it old? Why? When? How?
Is it yours? Rellay? Who knows? Are we there? Can you see?
Is it blue? Or is it red? Why not? Is it a cat? Or a
dog? Shall we go? Now? Are you sure? Why me?
Is it me? Really? Why so? Can I help? Who is he?
Where is she? Is it real? Turly? How many? 10? 20?
Is it broken? Why? Who? What? Where? When? How?
Is it a joke? Is it for ian? "Yes?" Wait; why
= this? Is jim here: or where! Where "Help?"
Is it $5 = 5$? it is! just why?
