

Let $A = 10$. Let $B = 20$. Then $A + B = 30$. $X = Y$. Power = high. Speed = fast. Time = 5.

Heat = hot. Water = cold. Love = life. Sun = light. jack = boy. ian = man. Red = color.

$1 = 1$. $2 = 2$. $3 = 3$. $4 = 4$. $5 = 5$. Yes = true. No = false. Hard = work. Big = small. Old = new.

Run = go. Note = written. Is it = a joke? "Maybe = yes;" he said. $100 = 100$.

All = done. just: it = okay; score = 10! Is it? just check; "Wait = stop;" it is = just: a test!
